

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Hamilton

report date 10 Jun 2015

Yarding Change	7266 -2633	Lambs Change	4996 -1816	Sheep Change	2270 -817	comparison date	03/06/2015
-----------------------	---------------	---------------------	---------------	---------------------	--------------	------------------------	------------

There was a fall in lamb numbers this week and a slight decrease in mutton consignments. Quality was very mixed, especially in the sheep, with more light weight 1 and 2 scores appearing. Most of the regular buyers attended, with one less domestic processor again absent in the sale and one heavy sheep buyer not present, while restocker activity was limited due to a lift in the sale. Demand, however, remained steady for the light 2 score light trade and medium trade lambs, as these sold \$3 to \$5 dearer, while the heavier trade and export type 4 score lambs sold from unchanged to \$4/head cheaper.

Light 2 score lambs sold from \$63 to \$106 and the medium trade to heavy trade 3 and 4 score lambs sold from \$117 to \$145/head, averaging around 610c/kg cwt. The heaviest 4 score lambs made between \$147 and \$164, with an estimated averaged of 585c/kg cwt.

Light 1 and 2 score sheep sold from \$45 to \$71, with medium mutton selling from \$69 to \$92 and the best crossbred 4 score ewes making \$100 to \$115/head, or an estimated average of 380c/kg cwt. Only light 1 and 2 score Merino wethers were penned, with the best making from \$64 to \$71/head.
