

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Hamilton

report date 12 Nov 2014

Yarding Change	37867 15942	Lambs Change	37867 23074	Sheep Change	0 0	comparison date	05/11/2014
-----------------------	----------------	---------------------	----------------	---------------------	--------	------------------------	------------

In the first split sale of just lambs at Hamilton the yarding tripled in number with 37,867 head drawn. The penning comprised of very good quality heavy weight export and trade lambs down to lighter stores showing the effects of a fast finishing season. A full complement of buyers arrived, including a large number of restockers which lifted demand, although at times this did fluctuate. Overall the heavier weights ranged between 450c and 460c/kg cwt, being \$2 to \$3/head dearer.

Light lambs also improved \$3 to \$5/head due to the increase from store buyers which travelled from Warrnambool, Naracoorte, Swan Hill, Deniliquin and the local Hamilton district. Light lambs made between \$50 to \$73, while light trade weights sold from \$73 to \$93/head, selling at 430c to 440c/kg cwt. Medium trade weights sold mainly from \$88 to \$116, to average 455c/kg cwt, while the heavier trade weights sold from \$108 to \$125/head. The 4 score export lambs sold between \$129 to \$135/head, to average around 460c/kg cwt.

The limited number of old lambs made between \$50 and \$62/head.

There are 7,690 sheep drawn for tomorrow's Hamilton sheep sale.
