

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 07 Jul 2014

Yarding Change	46500 6900	Lambs Change	34500 6500	Sheep Change	12000 400	comparison date	30/06/2014
-----------------------	---------------	---------------------	---------------	---------------------	--------------	------------------------	------------

Consignments lifted and quality remained mixed, as another large offering of lambs was yarded. There were ample numbers of the plainer lightweights, with the Merino lots well supplied, while trade weights percentage wise slipped in number, week-on-week. Prime conditioned heavy weight lambs were well represented with the Merino lines also entering these categories. Exotic lambs as usual were well supplied. Competition was weaker as most categories sold at cheaper levels.

Lightweight lambs, although cheaper, were not as affected with the weaker competition compared to the heavier weights and these eased \$2 to \$3; however the better end of the lightweight Merino lambs defied the cheaper trend and lifted \$4/head. Trade weights lost \$5 to \$11 to sell from \$92 to \$133/head or an average price from 524c to 551c/kg cwt. Heavy weight lambs lost from \$8 to \$14, as the lighter end ranged from \$118 to \$145, while the heaviest reached \$182/head. Heavy weight Merino lambs reached \$159/head. Good quality first cross ewe lambs, selling to a restocker reached \$154/head.

Sheep numbers remained similar, week-on-week, as most weights and grades were represented. Prices slipped \$3 to \$4; however the improved quality for the better finished heavy weight Merino ewes improved competition for this category. Medium and heavy weights ranged from \$62 to \$125/head, as the 2 to 4 score mutton averaged around the 321c to 384c/kg cwt range.
