-----------------------	-----------------	---------------------	----------------	---------------------	---------------	------------------------	------------

The wet wintery conditions reduced the yarding considerably from the expected draw and the quality was mixed. Lightweight lambs were well supplied, with good runs of trade and heavy weights also in the penning. The usual orders competed in a dearer market.

The limited supply of new season lambs improved \$4, with prices selling from \$133 to \$146/head. Lightweight older lambs lifted \$3, as prices ranged from \$74 to \$114/head. Trade weights remained close to firm to range from \$110 to \$140/head, or an average price from 566c to 576c/kg cwt. The heavy weight lambs gained \$3, with the lighter end averaging \$140, while the heaviest topped at \$166/head. These categories attained an average price from 569c to 577c/kg cwt. The best of the heavy weight Merino pens reached \$141/head.

Sheep numbers slipped with most weights and grades represented. Price trends lifted \$3 with the better 2 to 4 scores selling from \$52 to \$127/head and recorded an estimated average of 335c to 420c/kg cwt, depending on age and quality.
