There was another large offering of mixed quality lambs presented to a full field of buyers. Quality ranged from very plain lightweights to extra heavy weight supplementary fed crossbred lambs. Merino lambs were well supplied with all weights and classes represented. New season lambs were limited in supply.

New season lambs failed to maintain firm prices and slipped \$2, as the better presented drafts ranged from \$132 to \$144/head.

Old lightweight lambs sold close to firm with quality in places contributing to some price variations. The better finished trade weights lost \$1 to \$2, as the better reached \$129/head or an average price from 547c/kg cwt. Heavy weights slipped \$3, with the lighter end ranging from \$120 to \$143, as the heaviest topped at \$186/head. These categories attained an average price from 544c to 577c/kg cwt. Heavy weight Merino lambs sold to strong competition, as the best reached \$166/head.

Sheep numbers remained similar with all weights and grades represented. Prices remained close to firm, as medium and heavy weights sold from \$67 to \$115.60/head or an average price from 319c to 382c/kg cwt. Young first cross ewe lambs selling to restockers reached \$157.20/head.
