

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 30 Mar 2015

Yarding Change	31238 5628	Lambs Change	21238 5548	Sheep Change	10000 80	comparison date	23/03/2015
-----------------------	---------------	---------------------	---------------	---------------------	-------------	------------------------	------------

With the weather remaining dry and the cancellation of the next market due to the Easter break, numbers lifted and quality remained very mixed. There were high percentages of the plainer lightweights, together with good runs of heavy weight lambs, as the ideal trade weights were limited in supply. The Dorper and Dorper crosses were well supplied and the usual buyers competed in a generally dearer market.

The lightweight lambs lifted \$2 to \$3 and sold from \$58 to \$98/head. The trade weights remained firm to \$3 dearer, ranging from \$86 to \$123/head, or an average from 497c to 532c/kg cwt. Heavy weight lambs gained \$4, as the lighter end sold from \$122 to \$156, while the extra heavy weights slipped \$4 and reached \$175.60/head.

Sheep numbers remained close to equal and quality varied from the very plain lightweights to well-conditioned heavy weights. Prices remained firm, although the very plain lightweights struggled in the competition. The 2 to 4 score medium and heavy weights sold from \$60 to \$118/head, or an average price from 327c to 359c/kg cwt.
