

## Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

### Katanning

report date 08 Apr 2015

**Yarding Change** 14913  
7708      **Lambs Change** 4086  
1051      **Sheep Change** 10827  
6657      **comparison date** 01/04/2015

Numbers doubled at Katanning today with 14,913 sheep and lambs yarded. Quality was plain with the majority of yarding comprising mutton. Competition was solid from a full field of buyers and it was reflected in the prices, as they were firm on last week's very good rates.

Very light store lambs were mostly merino drafts which made \$20 to \$75/head. Merino wether lambs to restockers and live exporters sold from \$35 to \$120/head. Merino ewe lambs returned from \$47 to \$102/head. Trade lambs, 18-22kg, were also firm with most sales between \$80 and \$118/head to average 500c/kg cwt. The heavy lambs remained firm and sold to a top of \$125/head.

Ewe prices were erratic, with the light ewes making \$35 to \$78/head. The 2 score processor mutton made \$60 to \$85 and the better 3 and 4 score mutton sold from \$78 to \$101/head. Wether prices remained firm. Better export wethers sold between \$85 and \$110 to remain firm, along with store drafts which made \$50 to \$85/head. Rams again sold to solid competition with ram lambs reaching \$90/head. Older rams made \$25 to \$81/head to processors.
