

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Katanning

report date 10 Jun 2015

Yarding Change	20457 8564	Lambs Change	9457 4457	Sheep Change	11000 4107	comparison date	03/06/2015
-----------------------	---------------	---------------------	--------------	---------------------	---------------	------------------------	------------

There were 20,457 sheep and lambs penned in a very mixed quality yarding. Store drafts were in abundance as the dry weather continues. Competition was down as one processor was closed for maintenance and no live export, resulting in prices being cheaper week-on-week. Small store wether prices held up well, while ewes were hard to sell.

Light store lambs sold from \$20 to \$89, to average \$55/head. Air freight lambs sold from \$38 to \$100, to average \$88/head. Crossbred trade weight lambs were cheaper, making from \$50 to \$120/head. Trade weight Merino lambs sold for \$104/head. Merino lambs to restockers sold from \$20 to \$90/head. Heavy lambs over 22kg eased slightly, with the top price \$140/head.

Mutton prices were easier with good quality ewes with a fleece selling to \$91/head. Light ewes made \$20 to \$48/head. The 2 score processor mutton made \$35 to \$65 and the better 3 score mutton made \$50 to \$91/head. Restockers paid \$65 to \$100/head for young ewes. Wether prices were equal with lightweight Merinos selling from \$57 to \$98/head. Processor wethers made \$57 to \$126 and restockers and feeder buyers paid \$26 to \$128/head for the younger lines. Rams were cheaper, with processor rams selling for \$10 to \$70, while ram lambs sold up to \$111/head.
