Numbers were up at Katanning today, as the push to turnoff precedes the forthcoming seeding programs. It was a fair to average quality yarding, mainly comprising mutton and store lambs, along with several drafts of well finished light heavy and trade lambs. Competition was solid from a full field of buyers and it was reflected with prices generally firm to slightly dearer on most types air freight lambs were the most keenly sought after and were a good \$5/head dearer.

Very light store lambs were mostly merino drafts which made \$18 to \$60/head, all went to restockers and feeders. Air freight lambs, 15-18kg, made from \$60 to \$98, to be \$8/head dearer. Trade lambs, 18-22kg, were up \$5, with most sales between \$76 and \$126/head. The Heavy lambs were firm to slightly easier and sold to a top of \$125/head. Hoggets were firm and mainly sold to the trade, selling from \$65 to \$100/head.

Ewe prices, once again, lifted by \$5/head on the light and medium weights. The Light boner ewes made \$35 to \$79/head. The 2 score processor mutton made from \$65 to \$89/head. The better 3 and 4 score mutton sold to \$102/head. Wether prices remained firm. Better export wethers sold between \$85 and \$100/head. Store wether drafts made \$35 to \$70/head. Rams again sold to solid competition, with ram lambs to \$105, while the older rams to processors made from \$30 to \$60/head.
