

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Katanning

report date 22 Apr 2015

Yarding Change	24439 1416	Lambs Change	10000 0	Sheep Change	14439 1416	comparison date	15/04/2015
-----------------------	---------------	---------------------	------------	---------------------	---------------	------------------------	------------

Numbers were up at Katanning with a record yarding of 24,439 sheep and lambs. It was a mainly average quality yarding, with large lines of good merino dispersal sale ewes. Competition was solid from a full field of buyers and it was reflected as prices were once again firm on last week's very good rates.

Light merino store lambs in were between \$15 and \$91 and light crossbred store lambs made \$50 to \$91/head. Merino wether lambs to restockers and live exporters sold from \$69 to \$92, while lambs suitable for the air express market made up to \$108/head. Trade lambs, 18-22kg, were up \$3, with most sales between \$80 and \$128/head. The heavy lambs remained firm and sold to a top of \$128/head.

Ewes from the dispersal lines sold to restockers from \$95 to \$113, while the older lines went to processors. The light ewes made \$15 to \$45/head. The 2 score processor mutton made \$30 to \$84 and the better 3 score mutton sold up to \$105/head. Wether prices were firm. Better export types sold between \$79 and \$111/head. Store drafts made from \$74 to \$100/head. Rams again sold to solid competition, with ram lambs making up to \$103 and older rams to processors making \$49 and up to \$95/head for live export.
