

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Katanning

report date 29 Apr 2015

Yarding Change	24696 257	Lambs Change	13000 3000	Sheep Change	11696 -2743	comparison date	22/04/2015
-----------------------	--------------	---------------------	---------------	---------------------	----------------	------------------------	------------

Numbers increased, with another record yarding of 24,696 sheep and lambs. It was a mainly average quality yarding with large lines of good Merino and crossbred lambs. Competition was solid from a full field of buyers and prices were mainly firm to dearer, except for ewes which dropped \$3 to \$7/head.

Light store lambs were up \$3 and sold between \$25 to \$55/head. Lambs weighting from 16-18kg were firm, making to \$105/head, or 540c/kg cwt. Trade weight lambs sold from \$69 to \$120 and were down \$3 to \$5/head. Heavy lambs were firm and made from \$93 to \$130/head, to average 520c/kg cwt.

Hoggets sold from \$40 to restockers and feeders and up to \$125/head to the trade.

Light weight ewes to slaughter made \$46 to \$56/head, to be firm. The 2 score processor mutton made from \$56 to \$70, down \$3 to \$5 and the better 3 score mutton sold up to \$98, but eased \$5 to \$7/head, as numbers outstripped demand. Wether prices were \$10/head dearer due to increased live export demand. Better export types sold between \$80 and \$130/head. Store drafts made from \$40 to \$80/head. Rams were firm to finish at \$95 for ram lambs and \$20 to \$70/head for the heaviest to the trade.
