

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Muchea

report date 23 Sep 2014

Yarding Change	14624 2946	Lambs Change	5133 2015	Sheep Change	9491 931	comparison date	16/09/2014
-----------------------	---------------	---------------------	--------------	---------------------	-------------	------------------------	------------

Numbers increased by close to 30% with both new season lambs and ewes increasing in supply. There were 3,500 new season lambs were offered and quality was not up to last week's level, with more light weight and store lambs. Mutton quality decreased, with increased numbers of light weight ewes offered. All buyers operated but prices dropped partially due to quality with most categories easier.

Prime new season lamb numbers were very limited, with many lambs in store condition. Light young lambs to processors and air freight orders made from \$50 to \$85, easing marginally, with the Merino portion from \$50 to \$75/head. Trade weight young lambs made from \$82 to \$109, with the majority \$1 to \$4/head easier, at 440c/kg cwt. Old season lambs included light lambs between \$45 and \$80, to be mostly equal and trade weights from \$70 to \$99/head, also equal. Light and store young lambs to restockers made from \$30 to \$82, with Merino drafts between \$30 and \$67.50/head.

Ewe prices were significantly cheaper, particularly the heavy weight drafts. Heavy and prime conditioned 3 and 4 score ewes made from \$55 to \$90, or \$55 to \$82 bare shorn, to average close to \$79, back \$9/head on last week. Trade mutton sold between \$46 and \$76, to be \$5 easier, with very light mutton from \$30 to \$57/head, slightly easier than last week. Older Merino ewes to restockers made from \$60 to \$83, with the heavier and longer wool drafts easier by up to \$10/head.

Wether prices were slightly easier and reflected quality, as the better heavy drafts sold from \$70 to \$95, with those to live export making between \$68 and \$83/head. Wethers suitable for restockers and feeders made from \$50 to \$85, to be firm to \$4/head easier. Rams sales remained firm with better young drafts, including ram lambs to live export and processors making between \$60 and \$82/head. Rams to feeders made from \$35 to \$65, with old rams to processors between \$15 and \$55/head.
