-----------------------	--------------	---------------------	--------------	---------------------	------------	------------------------	------------

Demand was mainly steady for the slightly reduced number of lambs and similar sized penning of sheep. Quality was mixed and trended to the plainer side as tail end drafts are cleared going into winter. There were some good quality trade and the odd few heavier weight pens of lambs and these sold equal to mainly \$5/head dearer. Lighter weight lambs were a little easier in prices as were the heavier weight sheep. The usual processors attended.

Light weight 2 score lambs made \$72 to \$76, while light trade weight 2 and 3 scores were from \$86 to \$96/head. The medium to heavy weight 3 score trade lambs sold between \$108 and \$138/head and averaged 595c/kg cwt. The heavy 4 score export lambs made \$140 to \$167/head and averaged 610c/kg cwt. Heavy 4 score hoggets were from \$103 to \$122 and also averaged \$5/head dearer.

There was a little less competition amongst the usual buyers in the sheep sale but a run of 2 to 4 scores still averaged 360c/kg cwt. Light weight 1 score sheep were scarce and sold to \$78, while the medium weight 2 and 3 scores made \$76 to \$95 with 3 to 5 score heavy weights from \$89 to \$108/head. The heavy weight rams eased \$5 and sold from \$40 to \$60/head.
