

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

Wagga

report date 10 Jul 2014

Yarding Change	36300 -4700	Lambs Change	28000 -7000	Sheep Change	8300 2300	comparison date	03/07/2014
-----------------------	----------------	---------------------	----------------	---------------------	--------------	------------------------	------------

Numbers slipped with lamb showing the decline. Lamb quality was very mixed, although there was still good numbers of well finished and grain fed lambs available, along with the plainer types. The usual contingent of domestic and export processors were in attendance, although two major companies were still not operating fully.

New season lambs sold from \$120 to a top of \$152/head. Light lambs were firm to \$1 dearer selling from \$90 to \$109/head. Trade weights were steady, though prices fluctuated depending on quality. Prices ranged from \$109 to \$146/head. Heavy lambs held firm to receive from \$140 to \$155/head. Extra heavy weights were also fairly steady ranging from \$149 to \$183/head. Carcase prices averaged from 553c to 590c/kg cwt.

Mutton quality was again very mixed, although there were some good runs of medium and heavy sheep available. Merino ewes sold from \$74 to \$118 for medium and heavyweights, while crossbred ewes received from \$74 to \$124/head. An extra buyer operated on the Merino wethers saw these sell from \$80 to \$134/head.
