

AuctionsPlus Market Comments: 24th April 2015

With good rain across a number of areas in NSW, Vic and Southern Qld sheep and lamb numbers tightened with a total of 39,382 head listed, down 3000 on last week. While rain also impacted the cattle numbers which also dropped by 1,500 to 4,762 offered this week.

Merino ewe hoggets made \$99 to \$151, with an average of \$128. The highlight of the sale were a quality line of 60kg Harkness and Tintinara blood ewes from Cooke Plains in SA, which were scanned in lamb to white Suffolk sires. Older and mixed aged Merino ewe market firmed with an average of \$96. The top line was a mob from Nyngan NSW, 4-5 year old 62kg ewes again SIL to White Suffolk's. They had ¼" skin, Combadery blood, and made \$152.

Merino Wether lambs made \$52.50 to \$76. The top price was for a line of wether hoggets, Merryville and Ridgeway blood, with a 2" skin. The bidding activity on Merino's with close to full wool can be linked to the strengthening wool market. The EMI (eastern market indicator) is at its highest point in well over a year at 1153c/kg.

Young and proven first cross breeders drew bidding activity with a range of \$140 to \$210. The top line was 66kg Border Leicester/Merino ewes from Cundare Vic, SIL to Poll Dorset rams.

The small supply of store lambs rallied the market with 30kg-33kg lambs making \$84.50 to \$98.50 up \$3 on last week. The heaviest offered, a line of 44kg Border Leicester wether lambs made \$121.50 or 276c/kg dressed weight.

The cattle market continued to strengthen with backgrounder steers and heavy lines suitable for feedlotting being heavily sought after. Steers weighing 250kg-300kg made 253c to 291c with an average of 271c, this was up almost 20c from last week. Heifers of the same weight made 200c to 250c with an average of 229c, also up 4c on last week. Steers weighing 300kg-350kg ranged from 268c to 282c with an average of 275c up 12c on last week, while heifers firm on last week with an average of 239c. The heaviest steers offered of 350kg+ averaged 257c and were highlighted by a standout line of 371kg 9-11 months Wattletop, Eastern Plains and Glenavon blood unweaned EU Angus steers from Guyra NSW, which made 290c/kg liveweight or \$1075. The lightest steers offered less than 250kg were topped by a line of 7-9 months 193kg Hereford steers from Moree NSW which made 298c or \$575. Heifers of the same weight made 221c to 246c with an average of 237c, which were topped by 239kg Angus cross heifers from Inverell for 246c or \$590.

A large offering of young joined and PTIC breeders drew bidding activity with an average of \$1115, the top two lines were of 2 and 3 year old Angus cows PTIC to Wagyu and Angus bulls from Manilla NSW which made \$1450 and \$1400. While aged breeders averaged \$1300 and were topped by a line of 5 year old Angus cows PTIC to Angus bulls from Purlewaugh NSW which made \$1570. Young cows with calves at foot made \$1170 to \$1290. While older lines made \$895 to \$1155, which was topped by Charolais cross and Hereford cows with Angus and Simmental calves at foot from Blackall Qld.
